Well I wish was in London  
Or some other seaport town  
Step my foot in a steamboat  
And sail the ocean round

Sailing round the ocean  
Sailing round the sea  
I'd think of Handsome Molly  
Wherever she may be

I saw her at church last Sunday  
She passed me on by  
I knew her mind was changing  
By the roving of her eye

Her hair as black as a Raven's  
Her eyes were black as coal  
Her teeth shown like lilies  
Out in the morning cold

Now do you remember Molly  
When you give me your right hand  
Said if you ever married  
I'd be your man

Now you've broke your promise  
Go marry whom you please  
My heart is broken  
'Til I get some ease
