In a church on Sunday morning  
Sat a man unwelcome there  
Judged by men and not by Jesus  
He lifted up his voice in prayer

Steer me on the righteous pathway  
Help me humbly to abide  
Hold me to your precious bosom  
Let me walk lord by your side

Several silent moments followed  
It seemed that no one was in that room  
Then a voice it roared like thunder  
Look for me I'm coming soon

Such a change I've never witnessed  
Tear filled eyes were plainly shown  
Gathered there around that stranger  
Saying God bless you welcome home
