"Shouting On The Hills Of Glory"

Visit "[Shouting On The Hills Of Glory](#)" on MotoLyrics.com

There'll be shouting on the hills of glory
Shouting on the hills shouting on the hills
There'll be shouting on the hills of glory
There'll be shouting on the hills of God

Oh what a blessed reunion
Oh what a blessed reunion
When will we gather over yonder
There'll be shouting on the hills of God

No more sorrow in that city
No more sorrow in that city
Jesus prepared a place in heaven
There'll be shouting on the hills of God

Now's the time to make your preparations
Now's the time to make your preparations
So stop and make your reservation
There'll be shouting on the hills of God
