September gurls do so much
I was your butch and you were touched
I loved you well never mind
I've been crying all the time
December boys got it bad.
December boys got it bad.

September gurls I don't know why
how can I deny what's inside
even thought I keep away
maybe we'll love all our days.
december boys got it bad
december boys got it bad

When I get to bed
late at night
that's the time
she makes things right
ooh when she makes luv to me

September gurls do so much
I was your butch and you were touched
I loved you well never mind
I've been crying all the time
December boys got it bad.
december boys got it bad
december boys got it bad
