I've been holding out on you
I've been taking it slow and tough
Cause you've got a reputation
For leaving when the loving gets rough

When my heart is reaching for you
And my love is getting stronger
There's an urgency, a need in me
I can't take it any longer

CHORUS

No, I can't wait
I can't wait another minute
For it all to begin
No I can't wait
I can't wait another minute
So let your love come rushing in

I can't wait
I can't wait

You've been coming on so strong
I know you've been confused
Cause I didn't fall too easy
Like the ladies usually do

So here's the answer to your question
I want you all to myself
Cause I'm oh so good, good for you
No one else will ever do

CHORUS

I can't wait

[bridge]

When my heart is reaching for you
And my love is getting stronger
There's an urgency, a need in me
I can't take it any longer

CHORUS x 3
