"Rain Or Shine"

You're my knight in shining armour
Chase the devil and the dragons away
From manana to manana
Do I am love you, yes I do, do
Storm or sun, you're the only one
And this is how I feel

Rain or shine
You'll always be one in a million
My fantasy come true
Rain or shine, it's you and me
Cut me a heart on a tree and say
It's for ever, not a year and a day

Robin Hood and Major Tom
All the super heroes rolled into one
Kiss away my sad and lone lies
Do I am love you, yes I do, do
Silk and steel, that's the way you feel
And how I love you now

Rain or shine
You'll always be one in a million
My fantasy come true
How I love you still
How I love you now
How I love you now

Rain or shine
You'll always be one in a million
My fantasy come true
Rain or shine, it's you and me
Cut me a heart on a tree and say
From me to you

Rain, shine, rain, shine
Rain or shine
You'll always be one in a million
My fantasy come true
Rain or shine, it's you and me

Rain or shine, rain or shine
Rain or shine, rain or shine
