I wanna hold the hand inside you  
I wanna take the breath's that true  
I look to you and I see nothing  
I look to you to see the truth

You live your life, you go in shadow  
You'll come apart and you'll go blank  
Some kind of night into your darkness  
Colors your eyes with what's not there  
Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew  
\*Interlude\* (chorus)

The strange light comes on slowly  
A stranger's heart without a home  
You put your hands into your head  
And with smiles cover your heart

Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew

Fade into you  
Strange you never knew  
Fade into you  
I think it's strange you never knew  
I think it's strange you never knew...
