Oh Mary of Silence

You break my heart with a smile

Oh sweet Mary

Come inside for awhile

Help me get a hold of thee

While I look in the night

I thought of myself beside you

Take me into your skin

Oh sweet Mary of Silence

Oh sweet Mary of Silence

We have a state of confusion

You are quaking in fear

It doesn't seem like the first time

You walked out on the home

Oh sweet Mary of Silence

Oh sweet Mary of Silence

I don't know what you know

You take my hand in your hand

My life's a state of confusion

Why can't you take me in?

Oh sweet Mary of Silence

Oh sweet Mary of Silence

Caught me walking in the rain

She was staring the same

Shivering in myself

?

Oh where Oh where

Oh where, sweet Mary of Silence
