Hallucination is your best,
Your conscience is now your test,
Consecration of your mess,
Your minds getting less and less.

Everything is how its supposed to be,
Your slowly falling away from me.

Chorus:

Ahh do what you think is right,
do what you wanna do.
Ahh all of this is in your head.

All of this numbs all your pain,
You see life as just a game.

Chorus:

Ahh do what you think is right,
do what you wanna do.
Ahh all of this is in your head.

Breakdown:

Your drowning in the air,
It seems so unfair.
Everythings fine for everyone else,
But all i hear is encouragement people keep giving
you!

Ahh do what you think is right,
do what you wanna do.
Ahh all of this is in your head.

Verse:

Everythings falling apart,
If only you didn't start.
