

Star Pilots "Higher"

Visit "[Higher](#)" on MotoLyrics.com

'Cause tonight I'm gonna take you higher-oh
Can you feel the heat is on?
Yeah tonight I'm gonna take you higher
'Til the end of time

Take a chance on the edge of life
Keep trading passion for glory
You're coming on like a hurricane
With no surrender in sight

Play the game moving straight ahead
It will cut you like a knife
I will give you the sky
Baby it's now or never

'Cause tonight I'm gonna take you higher-oh
Can you feel the heat is on?
Yeah tonight I'm gonna take you higher
'Til the end of time

Running free like a ball of dust
I'm living day by day
Just take my hand, run away with me
We can dance the night away

Somewhere out on the borderline
We'll try to make ends meet
I will give you the sky
Baby it's now or never

'Cause tonight I'm gonna take you higher-oh
Can you feel the heat is on?
Yeah tonight I'm gonna take you higher
'Til the end of time

Oh yeah

Runaway with me, it's now or never
Runaway, we'll do it together
I would give you the sky
Baby it's now or never

'Cause tonight I'm gonna take you higher-oh
Can you feel the heat is on?
Yeah tonight I'm gonna take you higher
'Til the end of time
'Cause tonight I'm gonna take you higher-oh
Can you feel the heat is on?
Yeah tonight I'm gonna take you higher
'Til the end of time
('Til the end of time)
'Til the end of time
