I'm alive

I've been living on a prayer  
In a house of empty rooms  
Thou you were no easy lover  
I've never lost my faith in you

It's a never-ending story  
It's a caravan of love  
You're the voice of inspiration  
I'm never gonna give you up  
I never give you up

I'm alive  
(I am alive)  
I'm alive  
(I am alive now baby)  
Now I've found the greatest love  
I will survive  
(I will survive)

Nothing's gonna stop us  
Now I'm sure  
I will walk the walk of life forever young  
(I am alive)

You're the answer to the riddle  
C'est la vie  
Life is life  
And we're dancing on the ceiling  
Into the beat of neutron dance  
The beat of neutron dance

I'm alive  
(I am alive)  
I'm alive  
(I am alive now baby)  
Now I've found the greatest love  
I will survive  
(I will survive)

Nothing's gonna stop us  
Now I'm sure  
I will walk the walk of life forever young  
(I am alive)

You were born to be my baby  
It's just the way you make me feel  
You're my heart, you're my soul  
So take on me

I'm alive  
(I am alive)  
I'm alive  
(I am alive now baby)  
Now I've found the greatest love  
I will survive  
(I will survive)

Nothing's gonna stop us  
Now I'm sure  
I will walk the walk of life forever young  
(I am alive)

I'm alive
