It's the crime of all time

Well, it's the crime of the century
About the things I did
It's the crime of the century
I don't remember but I guess, I did

I'm the crime of the century
That's what you say
I guess, I broke, I broke your heart
But what else can I say?

I'm the crime of the century
I'm the crime of the century
I'm the crime of the century
And now I've gotta pay
(Crime of the century)

I'm a fool if I say, I love you
You'll only make me hurt
What's a bad boy to do?
But to live without you

Yes, the crime of the century
I'm the crime of the century
I'm the crime of the century
And now I've gotta pay
(Crime of the century)

Well, I'm a liar if I say I love you
A fool if I say I don't
I guess, I'll break right into your heart
I never said that I won't

I'm the crime of the century
I'm the crime of the century
I'm the crime of the century
Crime of the century

I'm the crime of the century
I'm the crime of the century
I'm the crime of the century

And now I've gotta pay
(Crime of the century)
