Make me alive  
Make me dead  
Do what you will  
To my head

Take me over  
Let me fall  
Don't leave a trace  
Take it all

Show me the way to hate like you  
This will be my fate

Yeah turn me in  
Crack my heart  
Break my bones  
Yeah push me down  
Bust me up  
Break my bones

Take the wheel  
Drive me out  
Till I'm a shadow  
Of my own doubt

Sun never shined upon your face  
So I deserve to die

Yeah turn me in  
Crack my heart  
Break my bones  
Yeah push me down  
Bust me up  
Break my bones
