REFRAIN

The game will get you twisted if ya let it corrupt
Promises of A&R but they aint living it up
Word is bond men, STARFLAM / SHYROCK,
Right on, dans les starting-blocks
And when you fell between the cliffs they aint picking
you up
Recoup ya budget, benz and bitches like they sticking
you up
Word is bond men, STARFLAM / SHYROCK
Right on, pretz forcer lpoque

AKRO

Unanimes face une masse reste anonyme
Shyrock / Starflam, la fine team
Nique la frime, ce biz nest quune vitrine
Je maque la rime, depuis lors pas un centime
Le mal prime, on prend la rue comme ses combines
Ses tox et ses frangines, sa couronne, ses pines
Je trone sur un bloc de bton
Et si ca doit froisser lindustrie du carton
Pas de concessions, tu connais mon quipe
Tu connais ses principes donc le doute se dissipe
On fait nos preuves dans lpreuve, le pays sabreuve
Marie toi avec un wack et tu finiras veuve
Les rimes pleuvent sur chaque portion de terre
Je fume le mic comme mes adversaires

SHYROCK

My curriculum be killing em softly.
Its ripping em overly hard you a softy some ballsy
rapper with nerves to alarm we.
You serve we hardly use words to smack back first.

From where it starts it ends with no attempt to tempt us
to let of relentless.

You meant us in segments of patterns of rhymes I
reckon.

Try hate what regulates some revolutionary weapons.

When years turn to months, weeks, days, hours,
minutes to seconds,

Yall checking so effectively it landed where we planned
it to happen.

Restacking for mo, no superstar status struck caught of
balance liable to lose talent.

When fans turn silent or violently start wilding ignore
you on the tours you used to pack (silence).

We never follow hype as when it's right we swing left.

With the science of a lion when we rip it to death.

Becomes niggas who confuse us for a here gone

Tomorrow tears turn to sorrow you want us were here.

AKRO

Je ne sais pas do je viens, mais je sais o je vais

Le mic en main pour voir la foule se soulever

A.K., linsatisfait, Inerv

Squatte le biz pour mieux sen prserver

Car ce qui prime ce nest pas la carte mais la trajectoire

Ce nest pas lendroit o tu grandis mais ton histoire

Je sais que ca influe ce qui se passe dans nos rues

Difficile detre acteur dune gnration perdue

Mais soit, on ne va pas se lamenter sur des violons

Tu parles de rap, tous chialent comme Cline Dion

Mic agression, nique lindustrie et ses lopettes

Le rock et son racket, le rap et son market

Je chie sur ta moquette, ton style et tes maquettes

On mappelle le 47, je tranche comme une machette

Ma tete sur ta pochette, tout se vend, tout sachte

Fuck la jet set !
