[Chorus]

You can't play the game that I'm playing  
No no, no no  
Shut up and listen to what I'mÂ.... Saying  
You are insane cos  
You can't play the game that I'm playing  
No no, no no  
Shut up and listen to what I'mÂ.... Saying  
Don't play my game

[Verse 1]

You were playing a game with me  
And now you're right where you should be  
But when I play a game with you  
You can't play it at all and make it look so dull  
Oh

[Chorus]

[Verse 2]

I wanna play a game with you  
And have some real fun with food  
But then you'll play a game with me  
And then put me in a place that I don't wanna be

[Chorus]

[Bridge]

There's a place  
In this world  
That is just  
For super girly girls  
Now that place  
Is somewhere  
That I don't wanna be in  
No I don't wanna be there

[Chorus x2]

[Ending]

Oh!
