Starlight
"Go To"

Go, go, go, go, go
Go, go, go, go
Go, go, go
Go, go
Go

[chorus]
Yes
Today I hate
Cause you're great
Go to hell
Don't yell
Please don't tell
Someone about this

[verse 1]
We lay in bed
Then came my dad
He sead
Please don't read
I need a cheat
Please cut the meat
And I sead
I changed my name
Because my fame
I don't have bugs
I don't love hugs
I have much time
So I can rime

[chorus x2]
Yes
Today I hate
Cause you're great
Go to hell
Don't yell
Please don't tell
Someone about this

[verse 2]
Now it's time to go

To your ?great? show
I hate you
Cause you're great too
Sometimes I am high
Don't ask why
You ask do you hate me
I sead I changed my name
Because my fame
I don't have bugs
I don't love hugs
I have much time
So I can rime

[chorus x2]
Yes
Today I hate
Cause you're great
Go to hell
Don't yell
Please don't tell
Someone about this

[verse 3]
We go to high school
I got a tool
But now
I don't know how
This is a great hit
And I said
I changed my name
Because my fame
I don't have bugs
I don't love hugs
I don't have much time
So I can rhyme

[chorus x3]
Yes
Today I hate
Cause you're great
Go to hell
Don't yell
Please don't tell
Someone about this

Go, go, go, go, go
Go, go, go, go
Go, go, go
Go, go
Go

Go to …. yeah
Go to …. yeah
Go to …. yeah
