[Chorus]

Goodnight
Sleep tight
Sweet dreams for tonight
Oh, don't
Let the bed bugs bite
Oh yeah
Goodnight

[Verse 1]

Go to sleep
My darling
I'll see you in the morning
Go to sleep
Have sweet dreams
I'll see you when the day is dawning
Oh

[Chorus]

[Verse 2]

Go to sleep
My dear sweet
And get up at the sunrise
Go to sleep
My baby
Cos in the morning you will have a nice surprise
Ooh

[Chorus x2]
