[Intro]

Yo, Starlight, Yo
Do ya wanna hate? (Yeah)
Alright, do it now before it's too late
C'mon let's go

[Chorus]

Hate, just a game
A game we play
So whatta ya say?
If ya wanna hate
Do it now
Before it's too late
Hate, just a game
A game play
So whatta ya say?
Do ya wanna hate?
Do it now
Before it's too late
C'mon

[Verse 1]

I have so much hate in my life
So shut the fuck up
Before I stab you with a knife
I don't wanna kill
I'm just makin' money
To pay ma bill
I tried and tried to break away
From all the hate
I'm feeling for everyone of you
That's ever done me wrong!
I'm gon' explain in this song
It doesn't take that long
So listen up
Before it fucks ya up
Nelly G. game this trough

[Verse 2]

Hate, some people think
It's a ugly thing

But I think
That's what life is
And some people hate us
Only because we're famous
Some people hate
Because it's faith
But then it's too late
And then ya die
You ask yarself why
But God doesn't lie
Death greets us all with a smile
But that just takes awhile

[Chorus 2x]

Hate, just a game
A game we play
So whatta ya say?
If ya wanna hate
Do it now
Before it's too late
Hate, just a game
A game play
So whatta ya say?
Do ya wanna hate?
Do it now
Before it's too late
C'mon

[Verse 3]

Some people I hate so much
Thank God there Dutch
First I thought they're
Were real friends
I swear to God
I hope they die
And I ain't gonna cry
And that's not a lie
Even my best friends
Are leaving me behind
And they ask what's on my mind
As long I got ma band
And all the good God has send
I can go on
Maybe that's how it's gotta be
No matter what it is
It's too good for me

[Chorus 2x]

Hate, just a game
A game we play
So whatta ya say?

If ya wanna hate
Do it now
Before it's too late
Hate, just a game
A game play
So whatta ya say?
Do ya wanna hate?
Do it now
Before it's too late
C'mon

[Verse 4]
So whatta ya gon' do now?
When hate got ya now?
Are ya gon' hate us?
Or ya gon' love us?
But if I was you
I'd better watch who ya talkin' bout
Runnin' yar mouth
Like ya know us
But ya don't know us
I have so much pain insinde of me
And now I've been low key
Just cause ya don't know me
To the people we hate
Fuck y'all
We fucking piss upon you all

[Chorus 2x]
Hate, just a game
A game we play
So whatta ya say?
If ya wanna hate
Do it now
Before it's too late
Hate, just a game
A game play
So whatta ya say?
Do ya wanna hate?
Do it now
Before it's too late
C'mon

Hate, so much hate?
Hate, so much hate?
Hate, so much hate?

[Chorus 2x]
Hate, just a game
A game we play
So whatta ya say?

If ya wanna hate
Do it now
Before it's too late
Hate, just a game
A game play
So whatta ya say?
Do ya wanna hate?
Do it now
Before it's too late
C'mon

[Repeat chorus till fade]
