[Verse 1]

I was all alone that day
But I think I'll be okay
Ah, ah
I got asked out by him
I smiled and then I said

[Chorus]

I think I'm in love
I think I like you
But I need to know
If you like me too

[Verse 2]

He asked me out by a note
I said nothing but on the inside
I screamed out loud
I went to tell my friends
They ignored me but still

[Chorus]

I think I'm in love
I think I like you
But I need to know
If you like me too

[Bridge]

Oh
I need to have proof
That you really like me
Because you sent me a letter
But someone else might have written it
But still

[Chorus]

I think I'm in love
I think I like you
But I need to know
If you like me too
Oh I think I'm in love
I think I like you
But I need to know

If you like me too
If you like me too
If you like me too
