[Chorus]

I wanna

Float to my wildest dreams

I wanna

Fly into my daydreams

I wanna

Go to extremes again

[Verse 1]

I wanna be

In my own world

(In my own world)

Cos there I can be

A boy or a girl

(Or a girl)

I wanna fly away

Yet be okay

Fall in love tonight

[Chorus]

I wanna

Float to my wildest dreams

I wanna

Fly into my daydreams

I wanna

Go to extremes again

[Verse 2]

I wanna live

My fantasy

(My fantasy)

I want my world

To be imaginary

(Imaginary)

I wanna be on my own

And have a phone

Have my own house

[Chorus]

I wanna

Float to my wildest dreams

I wanna

Fly into my daydreams
I wanna
Go to extremes again

[Bridge]
I wanna float
I wanna fly
I wanna go
Tonight
I wanna fly away
And be okay
Fall in love tonight

[Chorus]
I wanna
Float to my wildest dreams
I wanna
Fly into my daydreams
I wanna
Go to extremes again
(Again)
To extremes again
(Again)
To extremes again
(Again again again)
