[Verse 1]

Oh life's so romantic
When it's just you and me
And sometimes I forget it
But that's all I want my life to be

[Chorus]

Oh I'm a super hero
You may not believe me
But that's okay
Oh I'm a super hero
Just please don't leave me
At least not today

[Verse 2]

Oh sometimes there's a reason
I'm late for our date
Cos now I've a secret
That I could've shared but now it's too late

[Chorus]

[Verse 3]

Oh life's so romantic
When we're watching the sun and sea (you and me)
And sometimes I forget it
But that's all I ever wanted for me

[Chorus]

[Bridge]

Oh darling this may sound weird but
Baby I'm late cos I save the earth
You may not believe me but that's okay
I beg you please don't leave me
I love you let's hope that's still what you see
You may not believe me but that's okay

[Chorus]

[Verse 4]

Oh life's so romantic

When I've just got you by my side
And now you know my secret
So we can sit honestly by the seaside
Oh I'm a super hero
