Baby don't walk away
Baby please stay
Here right next to me
Don't left me here alone
In this coldy rain
You can't left me here alone
Oh baby

[Chorus]
I'm sorry
That I'll broke your heart apart
But I didn't mean to take your love away
I wanna take your pain away
I'm sorry
Baby I'm so sorry
That I'll broke your heart apart
Baby I'm sorry

There is to much pain inside
I wanna give you my heart
And I'll never break you ever apart
'Cause your my love
My one and only
And I'm asking you to
Please
Believe in me
Your the one I was lookin' for
And I was knockin' on your door
I was lookin' you all over the place
Please, please
Say you love me
You gotta believe me
I can't believe how I miss you
You were the closest friend I ever had
I hope you return to me
I wanna hold you close to me
Oh baby I love you so
Oh baby

[Chorus 3x]
I'm sorry

That I'll broke your heart apart
But I didn't mean to take your love away
I wanna take your pain away
I'm sorry
Baby I'm so sorry
That I'll broke your heart apart
Baby I'm sorry
