[Chorus 1]

I wanna jump to the future

Feel the life

I wanna do space travel

Back in time

[Verse 1]

I wanna know

What it's like

And this time

I promise I won't hide

Usually

I'm a scaredy-cat

But this time

You've gotta cross that out

[Chorus 1]

Oh I wanna jump to the future

Feel the life

I wanna do space travel

Back in time

[Verse 2]

I wanna feel

That great life

And if you say it's good

Then I'll take your advice

Usually

I don't try to get this involved

But this time

My shyness problem is solved

[Chorus 1]

Oh I wanna jump to the future

Feel the life

I wanna do space travel

Back in time [Chorus 2]

I wanna jump to the future I wanna jump

Feel the life Feel the life

I wanna do space travel Do

Back in time Back in time

I wanna jump to the future Jump

Feel the life Feel the life Feel the life [Chorus 3]
I wanna do space travel Do
Back in time Back in time Back in time
I wanna jump to the future Jump
Feel the life Feel the life Feel the life
I wanna do space travel Do
Back in time
