This song is about music
Ay, ay, yeah
C'mon

[Chorus]
Dance to the music
Music is in the sound
Music keeps you off the ground
Music bounds you down
Music keeps the beat
So I can hit my feet
C'mon
Dance to the music

[Verse 1]
Music
Music is my passion
Music learned me a lesson
Telling story's in your song
Just give me some time to think so long
No music stay's the same
So don't give me the blame
That I came
Gettin the fame
Because you gotta

[Chorus]
Dance to the music
Music is in the sound
Music keeps you off the ground
Music bounds you down
Music keeps the beat
So I can hit my feet
C'mon
Dance to the music

[Verse 2]
Different kinds of music
Rap, Pop, Rock, Blues, Rhythm and Hip Hop
So I'm only here to tripp off
Music of this time

Just keep me in the rhyme
And thinking of new things
To get the pinky rings
Hip Hop bring it to the top
So we can bring the music in the cup
So you have nothin' to complain
To get us out of the lane
We will just jumpin' in the club
To the music
That brings us up
We know what to do
Women in the club
Just keepin' it up
So just listen to the words we speak
Get your feet off the ground
And bouncin' around
With your pound
C'mon
Because you gotta

[Chorus]
Dance to the music
Music is in the sound
Music keeps you off the ground
Music bounds you down
Music keeps the beat
So I can hit my feet
C'mon
Dance to the music

[Verse 3]
Country boy, city lover
Ever one like to hear other music
But the beat will get you off the ground
So we won't stop the bouncin'
To the mouth
And keep shout it loud (shout it loud)
Music got you
Music is in you
You can't live without music
So we won't lose it
C'mon
Because you gotta

[Chorus 2x]
Dance to the music
Music is in the sound
Music keeps you off the ground
Music bounds you down
Music keeps the beat
So I can hit my feet

C'mon
Dance to the music
