Living like this shelter  
Constantly alone  
Pouring out my weakness  
There's an emptiness at home

[Bridge]  
I need to find a reason  
To live this way  
I'm running out of patience  
And my life is over

[Chorus]  
I'm standing here  
But I'm on my way  
Searching or finding an answer  
I'm standing here  
But it's all the same  
And I'm running out of patience  
Well, life would take  
My reason for you  
And I have gained  
A reason for you  
But you left me  
You left me here  
And I'm all alone

I've been stripped to my innocence  
Take pity in myself  
I surfed the gene of evens  
That left me in this hell

[Bridge]  
I need to find a reason  
To live this way  
I'm running out of patience  
And my life is over

[Chorus]  
I'm standing here  
But I'm on my way  
Searching or finding an answer

I'm standing here  
But it's all the same  
And I'm running out of patience  
Well, life would take  
My reason for you  
And I have gained  
A reason for you  
But you left me  
You left me here  
And I'm all alone

I'm all alone  
I'm all alone  
I'm all alone  
I'm all alone

Uh  
Uh

Well, I'm searching  
To find my reason  
To find our reason  
To find my reason  
Why I need you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you

WELL, I NEED YOU  
AND I WANT YOU  
BUT I NEED TO  
GET AWAY FROM YOU  
AND I NEED YOU  
AND I WANT YOU  
BUT I NEED TO  
GET AWAY FROM YOU

Well, life would take  
My reason for you

And I need it  
Someone to love me  
But you just left me  
Here and I'm lonely  
You know I need it  
Someone to love me

But I'm all alone
