[Verse 1]

Once upon a time
I was just like you
Once upon a time
I couldn't even go to the loo
Once upon a time
I went to stagecoach did lots of shows
But now upon a time
I'm alright
Just livin my life
Just feelin that feelin

[Chorus]

If you work all day and night
I saw your face
And you thought that you'd never see daylight again
But I'm just livin my life feelin that feelin
Just livin my life feelin that feelin

[Verse 2]

Once upon a time
I was just like you
Once upon a time
I was bored stiff didn't know what to do
Once upon a time
I felt so alone didn't have any friends
But now upon a time
I'm alright
Just livin my life
Just feelin that feelin

[Chorus]

If you work all day and night
I saw your face
And you thought that you'd never see daylight again
But I'm just livin my life feelin that feelin
Just livin my life feelin that feelin
