Sometimes,
Things just seem to fall apart
When you least expect them to

Sometimes,
You want to pack up and leave behind
All of them and all their smiles

[Chorus]
I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

Sometimes,
People surprise you
And people surprise me

But I guess that's the price we pay
For wanting, so badly

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

[Solo]

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

Sometimes... Sometimes... Sometimes...
