[Chorus]

And there I go again

Oh

There I go again

[Verse 1]

I go

Jumping to conclusions

Saying

It has to mean this

I go

Butting into conversations

But really

I have got to kiss

This goodbye today

To make things okay

[Chorus]

And there I go again

Oh

There I go again

[Verse 2]

I say

'Come on right over'

And tell

All of my friends

That my

Mum and dad are breaking up

But there

I go again

[Chorus]

And there I go again

Oh

There I go again

[Bridge]

I but in to conversations

And I jump to conclusions

I tell all of my friends

But there I go again

[Chorus]
And there I go again
Oh
There I go again
And there I go again
Oh
There I go
There I go
There I go again
La, la, la, la, la
Oh
La, la, la, la, la
La, la, la, la, la
Oh
La, la, la, la, la
