[Verse 1]

We're all together now  
We're gonna scream and shout  
We're all together now  
We're gonna scream out loud  
We're all together now  
So come on, let's hear that crowd  
We're all together now  
So come on, we're gonna go wild

[Chorus]

We're all together now  
We're gonna have fun today  
We're gonna scream and shout  
No matter what you say

[Verse 2]

We're gonna have fun today  
We're gonna do it all our way  
We're gonna have fun today  
No matter what you say  
We're gonna have fun today  
This day isn't ordinary  
We're gonna have fun today  
So come on over, let's go crazy

[Chorus]

We're all together now  
We're gonna have fun today  
We're gonna scream and shout  
No matter what you say

[Bridge]

We'll stay together  
Forever and ever  
We'll be just fine  
Tonight  
We'll boogie today  
And be okay  
We'll scream and shout  
Out loud  
OhÂ...Â.....

[Chorus]  
We're all together now  
We're gonna have fun today  
We're gonna scream and shout  
No matter what you say  
We're all together now  
We're gonna boogie tonight  
We're gonna shout out loud  
Tonight we'll be alright  
We're all together now  
We're gonna have fun today  
We're gonna scream and shout  
No matter what you say  
We're all together now  
We're gonna boogie tonight  
We're gonna shout out loud  
Tonight will be  
Tonight will be  
Tonight will be  
Tonight will be  
Tonight will be just fine
