[Verse 1]

Finding a way
To get myself back
I gotta
Keep on track
I don't know how
But I gotta do it somehow
Finding a way
To get back my life
Cos it feels like
It's been chopped up by a knife
I don't know how
But I can't give up now

[Chorus]

I gave you my love
And you threw it away
I took it out of the trash
And it was covered in hay
I took it back home
Took it out for a walk
And then I put it
Right back in my heart
Where it belongs
So I'm singing this song
Where my heart belongs

[Verse 2]

Finding a way
To repair my heart
Cos it feels like it's been
Hit by a dart
I don't know how
But I gotta do it some way
Finding a way
To win back my time
So my life
Is divine
I don't know how
But I can't throw my life away

[Chorus]

I gave you my love
And you threw it away
I took it out of the trash
And it was covered in hay
I took it back home
Took it out for a walk
And then I put it right
Back in my heart
Where it belongs
So I'm singing this song
Where my heart belongs

[Bridge]
I can't believe
You threw my love away
I want it back
And I want it back today

[Chorus]
(Gave love)
(Threw away)
(Out trash)
(Covered in hay)
(Took home)
(Out walk)
(Then put it)
Right back in my heart
Where it belongs
So I'm singing this song
Where my heart belongs
(I gave you my love and you)
Threw it away
(I took it out of the trash and it was)
Covered in hay
(I took it back home took it)
Out for a walk
And then I put it
Right back in my heart
Where it belongs
So I'm singing this song
Where my heart belongs
So I'm singing this song
Where my heart belongs
