Hey little sister what have you done
Hey little sister who's the only one
Hey little sister who's your superman
Hey little sister who's the one you want
Hey little sister shot gun!

It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again.

Hey little sister what have you done
Hey little sister who's the only one
I've been away for so long (so long)
I've been away for so long (so long)
I let you go for so long

It's a nice day to start again (come on)
It's a nice day for a white wedding
It's a nice day to start again.

Take me back home
There is nothin' fair in this world
There is nothin' safe in this world
And there's nothin' sure in this world
And there's nothin' pure in this world
"ook for something left in this world
Start again
Come on

It's a nice day for a white wedding
It's a nice day to start again.
It's a nice day for a white wedding
It's a nice day to start again
