There ain't no perfect world
Tryin'to find something that don't exist
Maybe I'm that kind of girl (guy)
(that) keeps stumbling 'round on shoes that just don't
fit

Bridge :
Finding out the hard way
and now I can say
believing in a better day
is making me pay

Chorus :
My mind's holds no secrets to me anymore
I'm finding out reasons,I'm feeling secure
(But) there ain't no perfect world
There ain't no perfect place
You're trying to make the best of what you've got
If you're to quick to turn the page
What you read before you already forgot

Bridge :
Finding out the hard way
and now I can say
believing in a better day
is making me pay

Chorus 2 :
My mind holds no secrets to me anymore
I'm finding out reasons
I'm feeling secure
I'm breathing, I'm seeing the scene and I know

Middle 8 :
There ain't no perfect world
There ain't no perfect way
I'd rather be a slave
to my own illusions
'n try to find a world of my own choosing

Guitarsolo

Bridge :

Finding out the hard way
and now I can say
believing in a better day
is making me pay
