Oh I
Baby I don't know what I would do
I'd be lost if I lost you
Ooh if you ever leave
Baby you would take away everything
Good in my life

And tell me know
How do I live without you
I want to know
How do I breath without you
If you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live
.....Without you

There be no stars in my sky
There would be no love in my life
There be no world left for me
Oh I
Baby I don't know what I would do
I'd be lost if I lost you
Ooh if you ever leave
Baby you would take away everything
Good in my life

And tell me know
How do I live without you
I want to know
How do I breath without you
If you ever go
How do I ever, ever survive
How do I, how do I, oh how do I live

Ooh
