You know it's not me  
And yet I tear myself apart  
Can you forgive me  
Or is this all a waste of time  
I cannot say I expect you to act the same  
As you did before  
Will you please just smile

Waiting for answers  
Sit here and wonder  
Tell me the truth  
Will you remember  
The Best times that we had  
Pictured to last forever  
I hope there's room for me

I crushed it too far  
Now I feel like a train wreck  
And you're afraid now  
Of letting me get close  
I cannot say I expect you  
To act the same  
As you did before  
Will you please just smile

[Chorus x3]

Don't sit around and wait  
I will not be here too long  
Will you decide  
Will you decide and
