I'm taken back from the words you said
That you don't know if you can love me anymore
I can't believe that my worst fear is coming true
And I don't know what to do
And I don't wanna live this life alone

[Chorus]

But I don't wanna lose you
And I don't wanna hurt you anymore
Cuz every time I do I get a hole inside of me
How can I prove to you now that I can change?
Cuz after all I put you through I know that I'm to blame
And how could I ever let this,
Let this love go mad

I should have known that it would come to this
I've taken you for granted
I treated you so wrong
It's safe to say that I deserve this
Yeah I do but I hope it's not too late
To turn this life right back around

Cuz I don't wanna lose you
And I don't wanna hurt you anymore
Cuz every time I do I get a hole inside of me
How can I prove to you now that I can change?
Cuz after all I put you through I know that I'm to blame

Yeaheaheahhh

And the sun don't shine on the cloudy days
And the rain will fall down me like a full hurricane
And if this is the start of a life without you
Then I pray that the waves will come and carry me away

Cuz I don't wanna lose you
And I don't wanna hurt you anymore
Cuz every time I do I get a hole inside of me
How could I prove to you now that I can change?
Cuz after all I put you through I know that I'm to blame
And how could I ever let this
Oh how could I ever let this

And how could I ever let this
Let this love go mad
