Lyrics by Joey Avalos and Chris Cleveland.
Music by Joey Avalos

Give me one good reason why I should stay here and
listen to you
While your mouth runs wild, fire burns that I thought
was true
Honestly can you blame me for how I feel
Falling for you every time
Your lips pout with no regrets
Yeah I'm sorry too, but sorry ain't cutting it

I've given all my love, just to watch you waste away
There's nothing left to say to you, I can't take this
anymore
I've given all I am, but know it's time to let it go,
I'm moving on, there's nothing left to say.

Every time I try to hold you close, you slide back over to
him
Leaving me with nothing but the hope, that this would
be the end
Suddenly I'd be dragged back into the mess that we
called our love
Your kisses don't impress, so take your crazy ways
cause I ain't having it.

I've given all my love, just to watch you waste away
There's nothing left to say to you, I can't take this
anymore
I've given all my love...

I gave you the best of me, and then you took it and
threw it all away.
I've played your fool for so long, but now that's over
I've moved on, I got better things to do, and then you.

Walk On, Walk On, Walk On, I never want to see you
again.
Walk On, Walk On, Walk On, I never want to see you.
Walk On, Walk On, Walk On, I never want to see you
again.

Walk On, Walk On, Walk On, I never want to see you.

I've given all my love, just to watch you waste away
There's nothing left to say to you, I can't take this
anymore

I've given all I am, but now its time to move on, to move
on,

I've given all my love, just to watch you waste away,
and there's nothing left to say to you,

I've given all I am, and now I am letting go, I'm moving
on,

I've given all I have to give, There's nothing left that
you could do to get me back to loving you. So,

Walk On, Walk On, Walk On, I never want to see you
again.

Walk On, Walk On, Walk On, I never want to see you
again.

Walk On, Walk On, Walk On, I never want to see you
again.

Walk On, Walk On, Walk On, I never want to see you
