Go now  
Don't look back, we've drawn the line  
Move on  
It's no good to go back in time

I'll never find another girl like you  
For happy endings it takes two  
With fire and ice  
a dream won't come true

Sara, Sara  
Storms are brewin' in your eyes  
Sara, Sara  
No time is a good time for goodbyes

Danger  
In the game when the stakes are high  
Branded  
My heart was branded while my senses stood by

I'll never find another girl like you  
For happy endings it takes two  
With fire and ice  
a dream won't come true

Sara, Sara  
Storms are brewin' in your eyes  
uh oh oh oh  
Sara, Sara  
No time is a good time for goodbyes

(Hey Sara)  
Love me like no one has ever loved me before  
(And Sara)  
Hurt me, no one could ever hurt me more  
(Oh Sara)  
Sara  
(Hey Sara)  
Nobody loved me before

I'll never find another girl like you  
With fire and ice

a dream won't come true

Sara, Sara  
No time is a good time for...

Sara, Sara  
Storms are brewin' in your eyes  
Sara, Sara  
No time is a good time for goodbyes

Sara, Sara  
Storms, are brewin' in your eyes  
Sara, Sara  
No time is a good time

No

Why did it, why did it all fall apart
