### CHORUS

We built this city we built this city on rock an' roll  
Built this city we built this city on rock an' roll

Say you don't know me or recognize my face  
Say you don't care who goes to that kind of place  
Knee deep in the hoopla sinking in your fight  
Too many runaways eating up the night

### BRIDGE

Marconi plays the mamba listen to the radio  
Don't you remember  
We built this city we built this city on rock an' roll

### REPEAT CHORUS

Someone's always playing corporation games  
Who cares they're always changing corporation names  
We just want to dance here someone stole the stage  
They call us irresponsible write us off the page

### REPEAT BRIDGE

### REPEAT CHORUS

It's just another Sunday in a tired old street  
Police have got the choke hold oh and we just lost the  
beat

Who counts the money underneath the bar  
Who rides the wrecking ball into our guitars  
Don't tell us you need us 'cos we're just simple fools  
Looking for America crawling through your schools

(I'm looking out over that Golden Gate bridge  
Out on a gorgeous sunny Saturday I've seen that  
bumper-to-bumper traffic)

Don't you remember (remember)

(Here's your favorite radio station in your favorite radio  
city)

The city by the bay the city that rocks the city that never  
sleeps)

REPEAT BRIDGE

REPEAT CHORUS TWICE

(We built we built this city) built this city (we built we  
built this city)

REPEAT TO FADE
