Before I say too much
Please just know that I'm not obsessed
Or so nearly depressed, or anything like that
Please hear what I have to say
Cause I don't feel this way everyday
As a matter of fact
I've never had this feeling before
And I'd like to feel it more
So can I stare as you ascend the stairs
Now are you aware
That I fell into your eyes
At first sight

Is it out of the question?
Is it in the cards?
For me to ask you this one question
Can we go, can we go

And I know it sounds absurd
And I know we've never spoke a word
And I know this must sound strange to you
But I just can't stop thinking of you

Is it out of the question?
Is it in the cards?
For me to ask you this one question
Can we go, can we go out?

Is it out of the question?
Is it in the cards?
For me to ask you this one question
Can we go, can we go

If you have a boyfriend
Then disregard everything
If you don't have a boyfriend
Then I meant every word I said
Every word I said...

Is it out of the question?
Is it in the cards?

For me to ask you this one question
Can we go, can we go out?

Is it out of the question?
Is it in the cards?
For me to ask you this one question
Can we go, can we go out?

And there's one more thing
That I have to sing to you:
What's your name?
