Take my hand to travel time,
So we can run away forever,
There's a chance we cross the line,
And we can do this thing together,
And my heart goes out to everyone,
A light will shine on him,
So please lay down your heart,
'Cause this is who I am.

Base in your face!

Drop it!

Base in you face!
Wohooo!
Wohooo!

Take my hand to travel time,
So we can run away forever,
There's a chance we cross the line,
And we can do this thing together,
And my heart goes out to everyone,
A light will shine on him,
So please lay down your heart,
'Cause this is who I am.

Base in your face!

Take my hand to travel time,
So we can run away forever,
There's a chance we cross the line,
And we can do this thing together,
And my heart goes out to everyone,
A light will shine on him,
So please lay down your heart,
'Cause this is who I am.

Drop it!

Wohooo!
