

Starting Tuesday "Never The Same"

Visit "[Never The Same](#)" on MotoLyrics.com

Her eyes are buried inside a magazine
The pages tell her to look like what you see

Why are you sad
It can't be so bad
Who you are now
It's never the same as who you want to be

She tries her clothes on
But nothing the right size
Her blood is cut off
At least she'll catch their eyes

Why are you sad
It can't be so bad
Who you are now
It's never the same as who you want to be

We all have things that we try to hide
And we've all be swolled by our pride

His eyes are buried inside a magazine
And though he's married
He longs for what he sees

Why are you sad
It can't be so bad
Who you are now
It's never the same as who you want to be
It's never the same as who you want to be

It can't be that bad huh,
Then why soes everyday quickly seem to fade away
When I look inside all that I find are words that I am
afraid to say
Can't even explain it, cant even contain it, the rage I felt
today
And when I lay my head down at night I find myself
afraid to pray
(Why are you sad)
I look up to the sky for help, Im so sick and tired of
being alone

I just got that call on my phone that two of my boys are
coming home
(It can't be so bad)
I find myself with nothing left, I find myself running out
of breath
I have too much pride to abide in a life that won't let me
live to survive
(Why are you sad)
I long for what i see, I weighed and I understood
completely
I have too much time by design to find that sin always
tries to defeat me
(It can't be so bad)
Can I live day to day and everyday live my life with you
Will you promise to be there beside me and guide me,
promise to tell the truth
(Why are you sad)

Why

Why am I so sad, why is it so bad
Can you please just answer that question for me

(It can't be so bad)
Why is it so bad, why am I so sad
Can you just open my eyes and let me see

(Why are you sad)
Why am I so sad, why is it so bad
Can you please just answer that question for me
