[Eminem:]

Nowadays everybody just wanna poke there nose in
our business
What is this some kinda joke
Everywhere I go all I'm hearing is more talk
What's up with Jada and Fat Joe?
Doin' a song with ol' boy on the song "New York",
Man I thought you just did a song with them both? "
Man the streets wanna know how you gonna go and
diss Michael
You should get your ghetto pass revoked
I never had no ghetto pass you asshole
You really wanna know when I did live in the ghetto
I kept a trespassing charge up at the railroad tracks
So I suggest you get your facts straight before you go
This assuming u know
I ain't grow up in no trailer park just cause I was poor
Man this is my testimony to those that don't know
Man it felt like they do
If not to feel compelled to go and speak on me too.
So this dick goes to you and this dick goes to you
And if you feel like you want it you can get it too
And when your through pass it to the person next to
you
Hey yo Stat get on the Mic and come and spit a few

[Stat Quo:]

Muthafuckers so quick to spit bullshit
Stat Quo who's this
Em gave me the assist shorty got a full
Standing in the pulpit, A Â– Town misfit
Reppin dat south shit
Back for

Losing patience wanna get on chasing for this
Taking all my energy
Tired of waiting people faking fronting like they kin to
me
When they really enemies
Give a fuck what it is cause
This what it gonna be,

Shady aftermath lately
GMN baby
Young nigga out them projects
Hospital freda's only baby
Niggas biting my style get rabies
Fuck you pay me
Eat a cock swallow shit
And plus you ain't fucking with this
So don't trip ha ha
What an incredible twist
I write incredible script
That fit in with the plot it's endless
Now testify to this
Let it bang when you hear, this is classic shit
