Yeah, Stat Quo, Doc Dre
I representin' the A town, A town
I'm comin' from the A town, A town
Shady Aftermath

Yeah, once again it's on
Em, Stat now alive and this motherfucker on
The ho's get naked soon as the song comes on
The niggas get reckless it's off the chain it's on

It's papa speakers knockin' crowds off the floor
They jockin' and watchin' when I walks through the door
It's him tell a friend but you already know
Act stupid and lose it don't fuck with Quo

I'm kind of different heed not the usual
Sippin' cognac between two beautiful
Two bitches at the club talk shit at your funeral
I came to get a buzz and crunk understand yo

It's crowded in back, he's jumpin', goddamn it's slow
I'm cooler than cool 'cause my temperature is thirty
below
I'm checkin' the scene for new cunt doppin' it low
Shakin' they ass, backin' it up, fast or slow

You know this thing don't stop till I say so
Now get low, get low, keep that ass on the floor
You know this club don't close till I say so
Now get low, get low, keep that ass on the flow

Yeah now get low, get low, keep that ass on the floor
Get low, get low, keep that ass on the floor
Yeah now get low, get low, keep that ass on the floor
Get low, get low, keep that ass on the floor, yeah

It goes three two one shortie that's what's up
At the bar lookin' sober but I'm high as fuck
And as far as y'all who be actin' tough
I'm in the spot with the glock please believe it's tough

We ready we sweaty, it's hot, it's off the chain

We macin' and spewin' please Miss tell me what's ya
name
The way you move and them jeans made me happy you
came
I'm tryin' to get to know ya possibly get some brain

I need pinky rings I'm the man of your dreams
Your life if you wanna be wifey and join my team
So I can support you and support you by any means
Nah, I ain't givin' you none of my things

But we can leave the club tonight, hit the telly and fuck
Long as you know when I bust I'm in the dust
Ain't no children, it ain't nothing nothing for us to
discuss
Except what time your ride pickin' you up

You know this thing don't stop till I say so
Now get low, get low, keep that ass on the floor
You know this club don't close till I say so
Now get low, get low, keep that ass on the flow

Yeah now get low, get low, keep that ass on the floor
Get low, get low, keep that ass on the floor
Yeah now get low, get low, keep that ass on the floor
Get low, get low, keep that ass on the floor, yeah, yeah

Turn that ass around
Go on and do somethin', do somethin' girl touch the
ground
Turn that ass around
Go on and do somethin', do somethin' girl touch the
ground

Now drop drip drop drip low, yeah
Drop drip drop drip low, yeah
Drop drip drop drip low, yeah
Drop drip drop drip low, yeah

Re-up style
