You make a nigga really get on his "LL" shit, hahah!
Uhh!

[Stat Quo:]
Love at first sight, saw you on the light (light!)
My Bentley out back girl, tonight's the night. (the night!

Lace you in ice, keep your hair done right
Expensive bag designer heels private flights. (private

Six stars suites, baby; fuck the price!
I'm not just tryna fuck, I'm tryna change your life!
(change your life!)
Nah! I keep it real, you the marrying type,
White fit station wagon, teaching kids to ride bikes.
Grow old together, I'm a love you forever. (GET!)
Get a 9-2-5 and let you handle my cheddar. (ahh!)
Sick shit, I'm done with the pimp shit,
No more strip clubs! No more freaky flicks! (c'mon!)
No more creeping! Cut off my side, bitch.
You the only one I wanna ride with! (only you!)
As far as my future you it
The perfect love story, no need to flip scripts! - Be for
real... (GET!)

[Chorus: Raheem DeVaughn]
You're such a pretty thiiing
Like the girls in the magaziines.
Like the girls in the videoos,
Like the girls at the Hip-Hop shoows!

And then I'll tell you: "I love you! "

And I'll buy this and that. - Tonight I'm gonna liiiee to
yooouuu!
Tonight I'm gonna liiiee to yooouuu!
Tonight I'm gonna get up in your ear and say what you
wanna hear and lie to
Yooouuu!

[Devin The Dude:]
You're the sexiest chick I ever met.
I would never try to give you some dick in jet.
I'll respect your body and mine!
And hey! - I may pay a bill or two if you fall behind.
I'll take you shopping for some summer clothes,
And just because you fuck the first night - I won't treat
you like them
Other hoes.
I'm yours, you're mine! So everytime
It's you and me against the world, put this "D" up in you
girl.
I won't cheat, just don't bullshit me!
I'll give you all my numbers, so you can keep up with
me!
Ahh, ohh; yeah! - Like that..
Ahh, ohh; ok! - I'll be right back, right back...

[Chorus: Raheem DeVaughn (Stat Quo)]

On the man hunt silly cunt!
You a floozy flunky hoe I knew from the jump. (from the jump!)
Not to trust you! (trust you!) - Just to fuck you!
Bust nuts and leave and no longer discuss you. (GET!)
