Call her on the phone

Oh shit, she isn't home

And you never know

That she ain't with someone else

Gotta say the right thing

She might think you're a fool

Gotta lie through your teeth

To make her think you're cool

I don't need girl problems

I've got troubles as it is

I don't need to waste my time

I don't need more shit...

You lower your fuckin' pride

Because you think she's what you need

So you don't mind the pain

Or the way you always feel

It's just a game

She's got you on a line

Throw your feeling to the wind

She's playin' with your mind

-CHORUS
