Banzai!!!!

Here they come, club owners beware

They're not welcome, but they don't care

They're gonna rip this place apart

Thrash from the finish, thrash from the start

Don't be a fool...

No choice for you

They're gonna do

What they wanna do

They wear chains and they wear leather

They wear boots in any weather

Never dress up for a show

Look this way when they're at home

-CHORUS-

They own the floor when their bands play

Bouncers get bounced when they get in the way

If you wanna fight, you better think again

Because if you hit one, you'll fight ten

-CHORUS
