Crossed over copper and bunched up coils
Watching the people led by the wire
Caught up capacitor, capture flame
Ready to discharge the drawn desire
Tempted by faith and the mile unknown
The system feeds off the drone
One man's rebellion, one man alone
Tangled up in the wrong telephone
HAYWIRE
Fly thru the fast lane
Run from the killer
The world gone haywire
HAYWIRE
Communication
Lost in the damage
The world gone haywire
Go off the deep end, the distance ignored
Piss off the passenger
Answer the wrong door and pick up the phone
No answers left when you're dead
HAYWIRE
Fly thru the fast lane
Run from the killer
The world gone haywire
HAYWIRE
Communication
Lost in the damage
The world gone haywire
Accusation
Who can we blame?
Based on confusion
The system goes on...
