So dead inside, can no longer hide
Its eat the fate away or die
its a way of life
now i realise
its eat the fate away or die

(chorus)
If they would let me be i could just
breath again
step aside and let me fight
breath again
show the world what i got inside
breath again
step aside and let me fight
if they would just let me be

Time to walk away
leave my old ways
rid myself of the pain

(chorus)
If they would let me be i could just
breath again
step aside and let me fight
breath again
show the world what i got inside
breath again
step aside and let me fight
if they would just let me be

So dead inside, can no longer hide
Its eat the fate away or die

Breath again
step aside and let me fight
breath again
show the world what i got inside
breath again
step aside and let me fight
if they would just let me be

if they would just let me be
