You like it better when we're wasted
?Cause it's less complicated
But when the drugs are gone and faded
I look at your face and hate it

I'm always fallin?

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

I miss the days when we were sober
I know those days are over
And now I guess we got what we wanted
Forever these scars will haunt us

I'm always fallin?

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

From the time you were mine
You got me so high
I guess that's why that I just can't stop
Even when you're gone

The stupid lives we fake
The stupid drugs we take
I'm always fallin?

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

The stupid lives we fake
The stupid drugs we take
I, I'm beggin? you to see it
It's breakin? you and me

I'm beggin? you to see it
I'm beggin? you to see it
I'm beggin? you to see it
It's breakin? you and me
