Who Am I?...

Who Am I?...

I'm The Voice That Leaves The Whole World,
Tearing With The Sound Of Joy,
I am the voice that is armed, with my voice,
I'm The one That Leaves The people, crying for my
sound,
I'm The one That Leaves The people, vibrating for my
rythem,

Believing soul of my rythem,
Breathing the voice of an angel,
The voice of a superstar,
The voice of mine,

From I, it is yours, I am the queen of the jive,
I comment you to dance, dance, dance for my song,
Cause I am your sound,
I am the queen of the music,
I am the voice,
Tear, Tear, Tear to the flow of my rythem
Listen.listen, listen to my music today,
I say today,
You will love me,
Cause you are my odiance,
For reciept like water that never stop flowing,
Flowing down the falls,
Like the music sound that never ends,
I am who I am cause I exist in music,
I'm destiney to keep on bitten, bitten, bitten forever!

Nothing can stop me I'm undistructable,
I am who I am cause I exist in music,

I am who I am cause I exist in music,
I am who I am cause I exist in music,

Nothing can stop me I'm undistructable,
Nothing can stop me I'm undistructable,
Nothing can stop me I'm undistructable,

Who Am I?... ,
I am The Voice That armed with my voice,

Who Am I?
I am the queen of the music

Who am I?
I am who I am cause I exist in music,
